

SEPTEMBER 28

GREG, DAN, AND NICOLE

They dazzled you last time, so don't miss this special "reprise" concert that will once again highlight the skills of three very talented multi-instrumentals. Front and center is Greg Varlotta; witness his spectacular abilities on the trumpet, trombone, sousaphone, guitar, and more. And, don't forget, he tap dances too! Alongside Greg will be Dan Reed on the trumpet, flugelhorn, and maybe even a kazoo! Both gentlemen will be accompanied by Nicole Pesce on the piano, keyboard, accordion, and there might even be a new keytar in the works!

You'll be amazed watching each artist dazzle you on several different instruments with

styles that include everything from jazz and dixieland to jitterbug, waltzes, and boogie woogie. There may even be a special "Polka" in honor of Oktoberfest!
