

AUGUST 24

"A JAZZY SUMMERTIME!"

Beat the heat and cool down with a concert performed by this all-star group! Featuring Renee Patrick (daughter of the late George Grant from the Ink Spots), along with Nicole Pesce (piano/keyboard), Dan Reed (trumpet/flugelhorn), and two very special guest artists making their Desert Palms Presbyterian Church Debut: Grammy Award Winning Bass Player Mel Brown and Drummer Extraordinaire Janet Daniel. From Gershwin and jazz to blues and country, and even a little "smooth jazz" for the summer, this quintet will mesmerize you with their music and soulful interpretations of standards both old and new.

NOTE: NO LUNCHEON AFTER THIS CONCERT.
